C
Where trouble melts like lemon drops

Em Am F

Am F
This is our fate I'm yours

D-d-do do you but do you d-d-do
But do you want to come on
Scooch on over closer dear
And I will nibble your ear

C
I've been spending way too long checking my tongue
in the mirror
G
And bending over backwards just to try to see it clearer
Am
But my breath fogged up the glass
F
And so I drew a new face and I laughed
C
I guess what I be saying is there ain't no better reason
G
To rid yourself of vanities and just go with the seasons
Am F
It's what we aim to do our name is our virtue

But I won't hesitate no more no more

It cannot wait I'm yours

C
Open up your mind and see like me

I won't hesitate
G

It cannot wait I'm sure

So please don't please don't please don't
There's no need to complicate
There's no need to complicate

Cause our time is short
This is our fate
This is this is this is our fate
I'm yours
